

El Paso Chapter No. 248
National Association of
Women in Construction

Lynne S. Burt Scholarship
Eligibility Requirements

Eligibility:

Trade schools - 1 year students, up to \$1,000; if student is still eligible at end of first year, student may then apply for a second scholarship in the amount of up to \$2,000. Trade schools can include (for example) Western Technical Institute, and El Paso Community College, for students enrolled in a construction related course of study.

Four-year colleges - students would be eligible for up to \$2,000 scholarship after attaining 50 credit hours. Students must be enrolled in a construction-related course of study.

All applicants will be required to furnish:

1. Transcript
2. Resume
3. Letters of recommendation (one from an instructor, one personal, and one "student choice.")
4. Completed application form

Instructions:

Submit all information listed above to:
